Cardiff's renowned Businessman Giovanni Malacrino, has chosen to advertise his new business venture, on a student website, Thetextpage.com.

Spyros Pyrgiotis created his website in order to raise his £17,000 university fee's for his MBA course in Kingston University, London. Spyros has currently gained \$4,200 for his studies but with the support of Giovanni this is set to increase to a whopping \$5,610.

Giovanni confirms why he took a chance on Thetextpage.com "I love its quiriness and uniqueness, its fun and for those who like to surf the net it's eye catching." Thetextpage.com is the only website on the net that consists of 100% text and holds links to advertisers websites. Giovanni continues, "It's a fair way of advertising and it's for a great cause as Spyros shows great entrepreneurship."

The budding student confirms, "I'm very fortunate that Mr Malacrino spotted the potential of Thetextpage.com and I'm sure that it will produce great results."

Giovanni Malacrino is the chairman of Cardiff's first Café Quarter located in the heart of the City Centre. Giovanni will continue his support for Thetextpage.com, he confirms "We are eager to use it and we will be promoting this on our website and on Wifi".
