GearZap.com Launches As A Specialist Online Retailer For Netbook Accessories

Online retailer GearZap.com (<http://www.gearzap.com>) has launched today, offering an exciting range of Netbook accessories (<http://www.gearzap.com>). Selling major brands allows GearZap to support most customer Netbook accessory requirements and include:

- Belkin
- be.ez
- Cool Bananas
- Crumpler
- Case Logic
- GeLaSkins
- Invisible Shield
- PDair
- Pakuma
- Targus
- Tech Air
- Trust
- ZeroShock.

People have had difficulty understanding the new Netbook phenomena and as Gearzap's Product manager, Jazz Singh states:

"People ask me "What's a Netbook?" Up to 12 inch is my tongue in cheek response! It certainly gets the message across that Netbook's are exciting, sexy and fun! And we love them at GearZap!"

"With all the excitement, we are currently are expanding our accessories range every day. Cool Bananas (<http://www.gearzap.com/netbook-cases-netbook-bags.html?manufacturer=147>), ZeroShock (<http://www.gearzap.com/netbook-cases-netbook-bags.html?manufacturer=150>) & GeLaSkins (<http://www.gearzap.com/netbook-accessories/skins.html>) are the latest exciting brands to come on board, offering stylish cases and covers for all sizes from 7 inches up to 13 inches."

Apart from GearZap.com's range of over 160 Netbook cases (<http://www.gearzap.com/netbook-cases-netbook-bags.html>) for all popular Netbooks and mini laptops, GearZap.com is offering batteries, screen protectors, external drives, chargers, speakers, docks, skins, cables and much more.

The website also includes other specialist accessories for small form-factor laptops and notebooks, such as the eco2bag Cocoon from Pakuma - a range of stylish Netbook cases made from 100% recycled materials and an extended battery range from Mugen (<http://www.gearzap.com/netbook-accessories/batteries.html?manufacturer=144>) offering up to 9 cells and 11200mAh of extra power for Netbooks.

As a closing comment, Jazz Singh states, "Whatever your size, GearZap.com has something for you!"
