

Service Management International (SMI) extends service scope with Jones Lang LaSalle (JLL) on the Sun Microsystems contract

Submitted by: Little Yellow Duck

Monday, 20 July 2009

In addition to providing engineering services in Germany and South Africa, SMI (<http://www.servicemanagementinternational.com>) have recently tendered for and were awarded engineering services in Denmark effective from July 1, 2009.

SMI provides Bundled Facilities Services

(http://www.servicemanagementinternational.com/html/bundled_services.htm) to Sun Microsystems (http://www.servicemanagementinternational.com/html/case_studies.htm) across 23 countries across the Europe, Middle East, Africa (EMEA) region through a preferred supplier relationship with Jones Lang LaSalle (<http://www.servicemanagementinternational.com/html/advantages.htm>).
