UsedCars2U.com (<http://www.usedcars2u.com/>) is the UK's first website that supplies second-hand and used cars directly to the consumers' door at no extra charge. The website is part of the Chief Rentals Group a leading independent car and van hire organisation, which was originally formed in 1994 with funding given by The Princes Trust. The Prince's Trust helps 14-30 year olds realise their potential and transform their lives through business.

Every car sold on the site will come with a detailed description including a large number of photographs showing every inch of the interior and exterior condition of the car – including the tyres and mileage shown on the clock. Each photo depicts the true condition of the car, leaving the salesmen's pitch firmly for those wandering into the car salesrooms.

Buying a used family car (<http://www.usedcars2u.com/vehicles/cars/-/-/large-family-cars/>) is a significant purchase and the UsedCars2U.com onsite technical engineers will carry out a full service in addition to the 150 point check before sending a car out, making sure that there is a thorough Pre-Delivery Inspection, along with a full valet.

UsedCars2U intend to continue to build on the strong customer ethics of Chief Rentals and each car will also be despatched with a 14-day money back guarantee should there be any unforeseen problems.

Customers will also be able to benefit from the fact UsedCars2U.com will only source used cars from a trusted and reliable source and will ensure that their virtual forecourt will only ever sell vehicles that are one to two years old, giving customers the added benefit of still being within the original Manufacturer's warranty period and will be provided with road tax.

UsedCars2U has already sold a handful of vehicles through the site since its launch and currently has a number of large family cars (<http://www.usedcars2u.com/vehicles/cars/-/-/large-family-cars/>) such as used Vauxhall Vectras (<http://www.usedcars2u.com/vehicles/cars/vauxhall/vectra/>) to luxury cars (<http://www.usedcars2u.com/vehicles/cars/-/-/luxury-cars/>) such as two used Mercedes E class models available.
