Get ready to take off with netflights.com as its annual flight sale kicks off with some amazing deals on departures around the world. Make sure you book early to secure your chosen flight (<http://www.netflights.com>) at an unbelievable price.

Sick of the cold? Why not go long haul and experience Thailand, China, the USA, Africa or the Caribbean? With loads of hotel offers, free kids places, free nights and free food on sale throughout January and valid for departures throughout the year, netflights.com can also offer the full package without breaking the bank.

Terry Fisher, managing director of Thomas Cook's Scheduled Businesses of which netflights.com is a part, said; "Exotic faraway places have never been more accessible to the UK traveller. The flexibility on offer at netflights.com also means you can add a great deal on hotels and car rental to your flight making your money go further this year".
