---

Did you know over 38 Million GPS systems were sold last year, which is a 30% increase on the previous year?

What this means to business owners is that more and more potential customers are using GPS as a method of locating business addresses.....

Is your business visible on GPS?

You can now register your business, products & Services on the NEW GPSLocals.com system

[www.GPSLocals.com](http://www.GPSLocals.com)

isnt it time you were found?
