Easter bank holiday is almost here and traditionally a time to unwind, relax and enjoy a Sunday roast with your family and friends, there's no better time to share a bottle of Shloer.

Whether you're holding an Easter egg hunt for the kids or hosting a 'Sunday Social' for your friends and family, no table is complete without a bottle of Shloer. Created from blends of red and white grapes, Shloer has used only the best ingredients to create delicious non alcoholic sparkling drinks; perfect for the whole family. And available in six delicious flavours from classic Red Grape or White Grape, to Shloer Rosé there's a flavour to suit every taste.

Shloer Rosé is the newest addition to the family and is the perfect compliment to chicken, lamb or beef for this Easter lunch, with its subtle fruity flavour and sparkle.

You also need not worry about indulging in a glass or two, with no more than 49 kcals per 100ml and no fat, you can sip away without feeling guilty, allowing you to have that extra Easter Egg or hot cross bun. Serve over ice for the ideal refreshment to make your Easter Sunday sparkle.

Shloer contains no preservatives, artificial colours, sweeteners or flavour and is available from all major supermarkets.
