GearZap - The specialist online retailer of Netbook and MacBook Accessories has announced that their new iPad Accessories (<http://www.gearzap.com/ipad-accessories.html>) store sells the largest range of iPad accessories on the internet.

GearZap has been taken by surprise at the phenomenal success of the iPad. The company has said "We are delighted to report that since the long-awaited launch of the iPad in the UK, accessories for it have been selling like hotcakes, with many iPad Cases (<http://www.gearzap.com/ipad-accessories/ipad-cases.html>) selling out within a few days".

Manufacturers from all over the world have been quick to respond to the demand for iPad accessories. There is a huge range products available from brands including: SwitchEasy, Speck, Macally, Cool Bananas, Incipio, Cygnett, InvisibleSHIELD and more.

With so much choice, GearZap is proud to be the 'one stop shop' for all iPad needs. The website includes a huge range of iPad Stands (<http://www.gearzap.com/ipad-accessories/ipad-stands.html>), Chargers and more. However, the most popular 'must have' item is the extensive range of iPad Cases, Skins and Covers.
