The business does exactly what it says on the tin and, in a recent TNS Mystery Shopper Study, was the top-payer of all its TV advertised competitors when offered 25grams of 9ct gold to buy. In fact, postgoldforcash.com pays OVER DOUBLE the amount for Gold paid by our largest rivals. Postgoldforcash also came TOP in BBC's One Show Postal Gold Survey. Its two founder directors, Ashley Faull and Ian Corica, have over 30 years experience in the jewellery trade and very extensive media and start-up experience. They believe that with the current high Gold price, combined with the poor economic climate, there is a great opportunity for postgoldforcash.com to provide a first rate Gold buying service to its customers.

Postgoldforcash.com sends a FREE Gold Selling Pack to customers who use the Royal Mail Special Delivery insured envelope sent them to return their old, unwanted or broken Gold.
