

Honour has the X Factor!

Submitted by: Honour Ltd.

Thursday, 21 October 2010

Did you see the X Factor Last Weekend?? Style Icon Dannii Minogue asked fellow mentor Louis Walsh "Louis, where did you get those costumes??" after his act had performed. Louis was speechless but the answer was at [honour.co.uk](http://www.honour.co.uk) of course..!!

We pride ourselves on having one of the largest and most diverse ranges of fantasy clothing (<http://www.honour.co.uk/>) in the world, including latex rubber (<http://www.honour.co.uk/catalog/index.php?cPath=263>), PVC (<http://www.honour.co.uk/catalog/index.php?cPath=254>), leather (<http://www.honour.co.uk/catalog/index.php?cPath=285>), lingerie (<http://www.honour.co.uk/catalog/index.php?cPath=290>) and corsetry (<http://www.honour.co.uk/catalog/index.php?cPath=321>); so when the X Factor asked us for help with their costumes for the live Saturday night show, we were only too happy to oblige!

It was contestant Storm Lee whose 16 supporting dancers were clad head to toe in a selection of our finest PVC clothing. Catsuits (http://www.honour.co.uk/catalog/index.php?cPath=254_551), jeans (http://www.honour.co.uk/catalog/index.php?cPath=254_259) and tops (http://www.honour.co.uk/catalog/index.php?cPath=254_256) were used to create a futuristic backdrop of dance to the live performance of 'We Built This City' which mesmerised viewers.

To enjoy the clip again and to see more famous faces like Katie Price and Rihanna in clothing from Honour, visit Honour in the Media (<http://www.honour.co.uk/catalog/honour-in-the-media.php>). If you like what you see then don't forget to check out the rest of the site to see our extensive selection of show-stopping clothing!!

Until next time..
