

Grand National 2011: Tips and Expert Betting Advice

Submitted by: Invendium Ltd

Friday, 8 April 2011

There will be 40 Grand National Runners (<http://www.grand-national-guide.co.uk>), the maximum field allowed in this year's Grand National. Choosing a horse to back, can be a difficult decision. www.grand-national-guide.co.uk gives punters all the information they need to choose a winner – the latest Grand National Odds (<http://www.grand-national-guide.co.uk>), Grand National Tips (<http://www.grand-national-guide.co.uk/grand-national-tips.php>) and expert betting advice.

Grand National Guide are the undisputed Grand National betting experts. They have studied past winner trends, stats and the form of all the runners to create a shortlist of Grand National Runners who have the potential to win this year's Grand National. Click here to see who they are tipping to win this year's Grand National (<http://www.grand-national-guide.co.uk/grand-national-tips.php>).

For punters looking to select their own Grand National horse, Grand National Guide (<http://www.grand-national-guide.co.uk>) offers a wide array of tools and information. Past winner trends, stats and form guides are all available on site, allowing punters to make an informed decision. Grand National Guide have also developed a tool which predicts Grand National Winners (<http://www.grand-national-guide.co.uk>) based on ground conditions. This has been very successful in the past, predicting several winners. Click here to see who it's predicting this year (<http://www.grand-national-guide.co.uk>).

There's a vast selection of information available on www.grand-national-guide.co.uk. Ranging from the novelty lucky dip, where punters can select their Grand National horse based on their star sign to the wide range of expert knowledge and expertise shared on site.
