On April the 15th 2011 – Barry Garner – serial internet entrepreneur sold a large portfolio of domains which included Gold.co.uk (<http://www.gold.co.uk>), Accessories.co.uk and Babies.co.uk for £400k to Psychic Media Ltd. This is the largest single purchase Psychic Media Ltd has made to date.

Psychic Media Ltd who already own a number of sites including the largest Baby names website in the UK are looking to compliment and expand their portfolio especially with Pregnancy.co.uk (<http://www.Pregnancy.co.uk>), Babies.co.uk and Toddlers.co.uk which were included in the deal.

Psychic Media already service over 5 million page views to user in the UK each month via their Baby related sites which has got a good response from the public with over 14,000 Facebook followers to Baby names (<http://www.babynames.co.uk>) alone.

Scott Smith, director of Psychic Media Ltd said, "This acquisition of baby themed domains will allow us to build on our baby related web presence and will be a very good long term investment for the company"

Psychic Media Ltd offers advertising across virtually their whole network for brands that are looking to expand their reach over different markets.
