With summer just around the corner, it's time to put away your winter coats and woolly jumpers and get set for beaches and barbecues.

Stock up your warm weather beauty bag so you keep looking your best all summer long.

Pre-holiday prep

NEW VEET WAX STRIPS

Ensure you're bikini ready and fuzz free with NEW EasyGrip™ Wax Strips - specially designed to help you achieve the perfect waxing technique in one easy move. EasyGrip™ Wax Strips are effective on hair as short as 2mm, and unlike razors, remove hair at the root achieving smooth skin for up to 4 weeks.

The intuitively shaped strips incorporate a brand new grip tab which will help waxers improve their technique and deliver silky smooth results in an instant.

Prolonged Summer Smoothness.....

NEW VEET HAIR MINIMISING BODY MOISTURISER

Keep your bikini body silky smooth. Moisturise every day and shave less often so you have more time to enjoy the sunshine.

New Veet Hair Minimising Body Moisturiser is a revolutionary product that is guaranteed to help women maintain that soft, silky smooth feeling for longer.

The unique ProMinimise™ formulation contains natural botanical extracts that are known to inhibit hair follicle activity and noticeably slow down the appearance of hair re-growth.

Enjoy nourished summer skin...

Exposure to the sun can result in loss of elasticity and suppleness caused by the depletion of collagen and elastin stores bought on by exposure to damaging UV light.

NEW E45 ENDLESS MOISTURE DERMA RESTORE has been specially formulated to nourish skin so that in just 3 weeks, skin feels softer, with a noticeable, healthy glow.

It contains a special combination of anti-ageing ingredients including:

1. Glycerine – the natural moisture magnet
2. Poly Hydroxy Acid (PHA) – delivers all the skin-smoothing and anti-ageing benefits of AHAs, without

any of the irritation

3. Nicotinamide – a form of B3 – proven to boost collagen production, while also imparting a wonderful, soothing sensation to skin
