Online high fashion retailer, Urban Pup, continue to dress doggy stars. All this week stylish Urban Pup clothing is being worn by pet chihuahuas Tickles and Pickles in popular Channel Four soap, Hollyoaks.

Building on Urban Pup's success dressing the leading dogs for high profile, fashion conscious West End musicals such as Legally Blonde and the Wizard of Oz, sassy character Cindy's chihuahuas Tickles and Pickles can be seen wearing bling collars, leads and charms from www.urbanpup.com.

Urban Pup Managing Director Denis Kelly said, "We are really enjoying seeing high profile dogs enjoying Urban Pup fashion. Last week we also announced the winner of the face of Urban Pup competition we ran in partnership with Sky TV's A Different Breed. We will be releasing photos of new model, Aislinn Ball's gorgeous pup Maybelline shortly."
