Mayflex the cabling infrastructure, networking and electronic security solutions distributor, has been recognised as EMEA Distributor of the Year by Aruba Networks. The award was presented at the Aruba EMEA Partner Conference held at Hotel Valparaiso, Palma de Mallorca 10th – 12th May.

The conference was attended by Aruba's distributors and partners with the awards ceremony taking place on the evening of the 11th May. Mark Simmons, Sales Director and Anita Mistry, Director of Sales – networking were in attendance to accept the award.

Anita Mistry, comments, "We are delighted to have been presented with the award for distributor of the year for EMEA. This acknowledges the huge commitment Mayflex has made to focus on the Aruba product portfolio. We have introduced dedicated personnel to both promote and sell the products as well as providing a comprehensive support network for our customers including much more focussed product information."

Anita continues, "Thanks go out to the entire team who have worked hard over the last 12 months and more importantly the customers who continue to choose Mayflex as their preferred Aruba distributor."

This is the second award that Mayflex has received in the last two months, the first being Distributor of the Year in the Comms Expo Awards 2011. Mayflex has also been nominated for Distributor of the Year in the PSI Premier Awards 2011, the results of which are due out in June. This highlights Mayflex's strength in both the infrastructure and security markets as well as the networking arena, as demonstrated by the Aruba award.
