

Journo needed with children for a wetlands day experience with Bill Oddie for Wilkinson

Submitted by: Kavanagh Communications

Monday, 3 October 2011

Would you and your child like to come along to a day out at the Wetlands Centre with Bill Oddie?

Wilkinson have recently run a competition with local schools where they have given away bird donations, including stands and food and school children have sent in drawings and pictures of the wildlife they have attracted.

The winners will be invited along to the Wetlands Centre in London for a day with Bill Oddie.

We are looking for a journalist to cover the day and they can bring their child along too. The date is set for the week commencing 24th October.
