You'd best get in the fast lane if you fancy winning a superb six wheeled package comprising a brand new Honda CBF 600N motorcycle and a nippy Honda Jazz hatchback.

That's because the deadline is looming for entries to the £18,000 prize draw launched by insurance firm Carole Nash (<http://www.carolenash.com>) to promote its pioneering Six Wheel policy. Unique on the market Six Wheel allows you to insure a bike and car on the same policy and guarantees to save you at least £50 on your premium.

Entry to the draw is free – all you need do is get a motor or motorcycle insurance (<http://www.carolenash.com>) quote from the company and it will automatically enter you. But hurry, because entries close at 8pm on Monday October 31st.

The draw has already attracted tens of thousands of entries as bikers and drivers are enticed by the six wheeled combo. The naked sporty middleweight CBF 600N is already a firm favourite with UK bikers, the refreshed model for 2011 having been restyled with a sleek, aerodynamic friendly integrated headlight and instrument panel and a higher, thinner tail which improves the rear.

The Honda Jazz is also a sure-fire winner among drivers having won its class in the JD Power Vehicle Ownership Satisfaction every year since its 2004 launch. A zippy little five door it nonetheless offers a surprisingly spacious interior, its compact design giving it a tidy turning circle and ensuring practicality in and around town.
