

15 year guarantee for Ronacrete resin paving system

Submitted by: Ronacrete Ltd

Tuesday, 10 January 2012

Ronacrete are pleased to announce that RonaDeck Resin Bound Surfacing is guaranteed for 15 years from the date it is installed by a Ronacrete Approved Contractor.

RonaDeck Resin Bound Surfacing

(<http://www.hard-landscaping.ronacrete.co.uk/details/16824/ronadeck-resin-bound-surfacing.7149/>) is a blend of aggregates and resin which creates an attractive, porous (SUDs compliant) alternative to conventional paving or loose gravel paths. RonaDeck Resin Bound Surfacing has been used on footpaths at Westfield Shopping City, Twickenham Stadium and Jodrell Bank as well as providing driveways, paths and swimming pool surrounds at private residences nationwide.

The 15 year guarantee covers general loss of stone, cracking, damage as a result of oil spillage or contamination, UV degradation, colour change and frost damage.
