

Evergreens UK announces opening of new eBay shop

Submitted by: pr-sending-enterprises

Friday, 2 March 2012

Evergreens UK is pleased to announce the opening of its new eBay shop. Evergreens UK are a long established company and owner of the LazyLawn brand of fake grass. It has been established for over 25 years and has the largest range and volume of landscaping surfaces in the UK at its central distribution warehouse in the east Midlands. The LazyLawn brand of artificial grass is renowned for its realism and vibrancy.

Through its partnership with eBay, Evergreens UK for the first time is able to offer its products for purchase online starting in March 2012. This move has been made to satisfy demands of customers both trade and DIY specialists who wish to self-install LazyLawn artificial grass. Exciting news for DIY astro turf installers is the news that for the first time Evergreens UK remnant stock is available for purchase at discount prices. Over 200 high quality synthetic grass products will be made available for clearance, including both current and discontinued lines of stock. From remnants to grass tiles and decking the new Evergreens eBay shop will offer considerable range of sizes and stock. All items are new in condition and meet Evergreens UK highest standards of quality.

Evergreens head of marketing said: "We are really looking forward to working with eBay and offering online sales of our product range to the public and trade alike. Our unique brand of artificial turf has set new standards within the industry. eBay offers us a direct marketing route to the public and for the first time our range will be available for online purchase."

The LazyLawn brand is widely recognised for its high quality products and installations and LazyLawn has a UK wide network of artificial lawn project specialists who can quote on installation. Its products have been transforming gardens, play areas and corporate events for a generation. For trade customers and DIY enthusiasts Evergreens UK can offer advice, including full information on the advantages of artificial turf (<http://stores.ebay.co.uk/Evergreens-Lazy-Lawn-UK>), and products with an unrivalled next day delivery service. The new Evergreens eBay Shop is located at <http://stores.ebay.co.uk/Evergreens-Lazy-Lawn-UK>.
