Mother's Day is fast approaching. This 18th March let your mother know that you appreciate the lifetime of love that she has given you, and surprise her with a Mother's Day jewellery gift from Rudell the Jewellers (<http://www.rudells.com>).

Mother's Day is a time to celebrate with all of the mothers in your life. Mothers, Aunts, Sisters, Grandmothers, but also importantly, the mother of your children! Show her how much she means to you and the whole family, with your choice from our extensive collection of exclusive jewellery, gift-ware and watches.

A gift chosen from Rudell the Jewellers will let her know just how special she really is. Make this Mother's Day the best one yet, with a beautiful gift chosen just for her. Amongst our exclusive jewellery brands you will find the perfect choice for every Mum. A Links of London charm bracelet is a wonderful gift that you can add charms to, that will commemorate all the special occasions to come. Or perhaps this year treat her to that gleaming string of Mikimoto pearls

(<http://www.rudells.com/products.php?category=jewellery&subcategory=branded-jewellery&brand=mikimoto&product=18ct-wh>) that she has admired in the window. The clean contemporary lines of Georg Jensen and the classical pendants of Lalique crystal (<http://www.rudells.com/products.php?category=jewellery&subcategory=branded-jewellery&brand=lalique&product=lalique-3-l>) are also sure to delight all mothers with elegant tastes.

Our stunning gift-ware offers an alternative range of gifts that Mothers will be able to enjoy in their homes all year long. Choose from our beautifully crafted cut crystal pieces, fine antique silver or choose something truly bespoke with our exceptional collection of Halcyon Days boxes. This year Halcyon have created a delicately hand painted Mother's Day mug, decorated with a personal message that will let her know how much she is appreciated.

Choose a special gift from Rudells this year to say 'Thank You' for all the things big and small that your Mother does for you all year round.
