

Bechtel selects Active Risk Manager for risk and opportunity management

Submitted by: PR Artistry Limited

Monday, 30 April 2012

Active Risk (<http://www.activerisk.com>), developer of Active Risk Manager (ARM), the award winning Enterprise Risk Management (ERM) software, is pleased to announce that Bechtel, one of the world's most respected engineering, project management, and construction companies, has selected ARM to help manage risks and opportunities on major projects around the globe.

Loren Padelford, Executive Vice President and GM at Active Risk commented, "ARM is all about minimizing project surprises on even the most complex projects and programs. Bechtel has a track record of delivering and we are proud that they have selected ARM as a standard application."

Active Risk is the first Enterprise Risk Management (ERM) solution provider to drive business performance by allowing organizations to manage risk more effectively.

About Bechtel

Bechtel is among the most respected engineering, project management and construction companies in the world. We stand apart for our ability to get the job done right—no matter how big, how complex, or how remote. Bechtel operates through five global business units that specialize in civil infrastructure; power generation; communications and transmission; mining and metals; oil, gas and chemicals; and government services.

Since its founding in 1898, Bechtel has worked on more than 22,000 projects in 140 countries on all seven continents. Today, our 53,000 employees team with customers, partners, and suppliers on diverse projects in nearly 50 countries. www.bechtel.com.

About Active Risk

Active Risk is the first Enterprise Risk Management (ERM) solution provider to drive business performance by allowing organizations to manage risk more effectively. Active Risk Manager (ARM) helps organizations meet Operational Risk, Project Risk, Opportunity Management and Governance & Compliance challenges with advanced software which can be implemented across businesses in a range of industry sectors.

Active Risk has offices in the UK, USA and Australia, servicing customers worldwide directly and through a growing network of partners. Active Risk is listed on the FTSE AIM Index (Stock Symbol: ARI).
