Leading recruitment agency, the Barker Ross Group (<http://www.barkerross.co.uk>) has appointed Richard Tillbrook as a director to help expand its network and services.

Tillbrook, who joins Barker Ross from HR GO plc, will initially be based in Cambridge with a remit to open other offices for Barker Ross as business grows. He also brings with him extensive experience in engineering and technical recruitment and these are sectors that Barker Ross is looking to expand into.

Tillbrook comments "I am excited to be working with such a strong, like minded team. I am impressed with Barker Ross's organisation and ideology. I am confident I can make a significant contribution, given my knowledge of the recruitment market in the South-East."

Founder and managing director of Barker Ross, Paul Ross said: "This is an exciting time for us and we need people to help us manage our rapid growth and we are delighted to add a professional of Richard's calibre to our senior team."

The Barker Ross Group has dedicated recruitment teams operating in the food, agriculture, waste, industrial, logistics, construction, civil engineering, energy and housing sectors. All teams source and supply temporary, contract and permanent workers. The group has just undergone a major restructure and created nine dedicated divisions to ensure it achieves its aim of increasing turnover to £58 million by 2015.
