Tripadvisor.co.uk is the world's leading free travel guide and research website and many travellers would not even consider leaving home without checking out the reviews on their chosen destination.

It is therefore extremely prestigious to be listed in their annual awards..... as they are compiled from the results of consumers' reviews.

Ragdale Hall is listed 4th in the Top 25 Relaxation/Spa Hotels in the UK. The listing is based wholly on the ratings given by travellers on their visit and experience of spas and spa hotels.

We are extremely grateful for all the feedback and lovely reviews posted on tripadvisor.co.uk
