(United Kingdom – 24th May 2012) Bingocams are always adding new games and promotions to its roster but it is not just the opportunity to win jackpots which is proving popular amongst online bingo players.

The unique live bingo experience that Bingocams provides is unlike any other online and offers a real bingo hall experience.

On entering the site, Bingocams players are met with a colourful and visually engaging interface. The latest games and promotions are displayed at the top of the page and players can instantly get involved.

After signing up to the site, players will receive a free €5 sign-up bonus and 200% first time deposit bonus to explore the site with. New players have plenty of opportunity to explore the site and interact with existing players who are sure to praise the unique game play experience that Bingocams boasts. With webcam based bingo games, players can meet, chat and play bingo with their new bingo friends. It is the only online bingo site in the industry that incorporates webcam into play and it seems Bingocams members love it.

The Live Win Moments promotion allows players to record their live win moments to be in with the chance of winning €1000. The funniest and most creative Live Win Moment video will get themselves €1000 whilst two other videos will be picked at random and the players will each be rewarded €500 each.
