Free HR software exhibition – free 30-day trial of Cezanne OnDemand

Cezanne Software is offering visitors to the CIPD's HR Software Show (http://www.cezanneondemand.com/en-GB/news-and-events/news/Pages/Cezanne-Software-to-showcase-the-latest-release-(Olympia, London, 20th – 21st June) the opportunity to test drive the latest release of their online HR software system, Cezanne OnDemand.

Delivered "in the Cloud" as Software as a Service (SaaS) Cezanne OnDemand (http://www.cezanneondemand.com/) is fast to implement, easy to use and provides all of the features that companies need to reduce HR administration, manage absences, stay on top of important events and engage with employees across the business.

What's more, it's charged for based on the actual number of employees managed each month, so companies don't pay for licences they don't need. For companies with between 50 and 500 employees, Cezanne OnDemand costs just £2 per employee per month for the People and Absence management modules (including online support, data back up and updates), with Performance management costing just £1 per employee per month extra.

Free trial with best practice advice for faster results

The free 30-day trial provides access to all of the features and capabilities of Cezanne OnDemand and includes best practice advice from Cezanne's consultants to help companies get up and running quickly.

Julie Windsor, Head of Operations for Cezanne UK and Benelux says: "We launched Cezanne OnDemand at the HR Software Show last year, and we've been really thrilled by the response. SME companies especially have been quick to recognise the benefits of the approach we have taken. We've been doubling the number of employees under management each month – and we are continuing to enhance the service with new features all the time."

To register for the free trial of Cezanne OnDemand, attendees at the HR Software Show (http://www.cezanneondemand.com/en-GB/news-and-events/news/Pages/Cezanne-Software-to-showcase-the-latest-release-simply need to visit Cezanne's stand (H60).

About Cezanne OnDemand HR Software as a Service

Cezanne OnDemand is the first HR software solution to be offered on a pay-as-you-go basis, with monthly

fees being adjusted up – or down – to reflect the average number of employees being managed each month. It provides small businesses and mid-sized enterprises with a quick to implement, low-cost HR software solution to help streamline people management, reduce administration and gather better HR intelligence to support planning and decision making. Pricing is just £2 per employee per month for companies of between 50 and 500 employees for HR and absence management, with performance management costing an extra £1. Special discounts are available to registered charities and not-for-profits.

Cezanne OnDemand is delivered in the Cloud, on a Software-as-a-Service basis, which means it is hosted and delivered online via a secure server, with updates automatically provided to clients as they are released as part of the subscription fee. There's no need for small businesses to continually invest in their own hardware or software, or in installing updates. They simply log on via the Internet and have immediate access to the latest version of the system from wherever they are.

First released in June 2011, Cezanne OnDemand already has an impressive customer base of small businesses and mid-sized enterprises, many of whom are well-known brands and innovators in their own markets. Customers include PhotoBox, lowcostholidays, PebbleIT, Resilient Networks, Moschino, IMS, Lapithus, Samskip and Chapman Bathurst.

Headquartered in London, United Kingdom, Cezanne Software has many years' experience of delivering HR and talent management solutions to companies worldwide. With offices and partners across Europe and in the Americas, Cezanne Software today supports many hundreds of organisations, ranging from large global companies to mid-sized enterprises and small businesses.
