

Urban Jungle – a recycled rug made from 99 plastic bottles

Submitted by: Brown Dog Creative

Wednesday, 1 August 2012

Urban Jungle is the latest genius idea from Plantation Rug Company, bringing style to your home and a smile to your conscience. The first recycled rug in their collection!

This little beauty is made totally from recycled bottles, 99 of them to be exact, and with a little bit of magic from Plantation – voila - a 100% PET stunner. Urban Jungle takes its inspiration from the rainforest: wild, daring and ready to make a style statement in your home.

Available in three tangy colourways and two sizes (rectangle) 120 x 170 cm £100 and 150 x 240 cm £175

All Plantation rugs can be purchased on www.plantationrug.co.uk.

Stockist number: 0800 012 1511.
