If you've ventured out in the garden this week you'll notice that all the rain we've had lately has really taken its toll and the weeds have gone into overdrive. Well luckily for you, help is at hand from Anglian Home Improvements (http://www.anglianhome.co.uk/?utm_source=Bloom&utm_medium=Organic&utm_campaign=Bloom%2BSearch), who are running a free prize draw for one lucky homeowner to win a garden makeover with TV garden expert David Domoney, valued at £10,000.

Courtesy of the UK's leading conservatory (<http://www.anglianhome.co.uk/conservatories/>), door and window double glazing specialist, David and his team of Garden Angels will help transform the winner's garden, advising on the best plants and layout, tidying the existing plot and spending up to £2,500 on new plants, trees and ornaments to fit in with David's garden design advice.

Recently seen on ITV's Love Your Garden with Alan Titchmarsh, green fingered expert David Domoney regularly appears on television gardening shows and also creates garden designs for the RHS shows. He explained why many of our gardens have grown out of control this summer.

"The weeds have flourished this year due to all the rain we've had, while the more tender varieties that are a favourite in many British gardens like bedding plants and exotics have suffered from lack of sunlight, an excess of water and low temperatures. The damp conditions have led to an explosion of slugs and snails too, which have been wreaking havoc all over the garden. It's been almost impossible for most of us to get outside and tend to the borders, so this prize draw from Anglian will give one lucky person a great opportunity to sit back and let me and my team do all the hard work to get their garden back in shape."

Launched by Anglian Home Improvements and David Domoney at the Hampton Court Palace Flower Show last month, the prize draw deadline has been extended and it now closes at 3.30pm on Monday 6 August 2012. To be in with a chance of winning the garden makeover, simply enter your name and email address here (<http://www.anglianhome.co.uk/hampton-court-flower-show/>).
