We are delighted to invite you to the Media Launch of Age of Wushu, a new Free-to-play MMO set during the Ming Dynasty at the peak of the Chinese feudal empire.

Taking place on Wednesday 8th August in Wood Wharf, London, guests will bear witness to a large demonstration of Wushu, have an opportunity to interview the creative team, developers and CEO of Snail Games and see firsthand how spectacular Age of Wushu really is.

Age of Wushu gives players will have the opportunity to join and learn from one of 8 ancient martial art schools from the good-natured Shaolin to the evil and mysterious Tangmen. Utilising physics-defying combat, players will battle bandits, warlords, and each other in historical cities and across a breath-taking landscapes.

The game is currently in beta in China and is set to launch in UK, Europe and the US over the coming months.

If you'd like to attend the event on Wednesday 8th August please RSVP to Chris Brown at c.brown@bcguk.com / 0121 200 0910.
