The brand new Premier Inn at Stansted airport has officially opened its doors to the public, marking an investment of £21.2 million into the local economy whilst creating 77 new jobs for residents of the area. The doors were opened on Wednesday 20th June, by the local superintendent Graham Stubbs.

The brand new Premier Inn is ideally situated on Thremhall Avenue in Stansted, Essex, within a short walking distance of the Mid-Stay Car Park, and is just one mile away from Stansted Airport, coach and train station. Ideal for guests needing an overnight stay before or after they fly, Stansted Airport Premier Inn has everything guests need to get a good night's sleep before or after a flight. The on-site Thyme restaurant offers a mix of traditional and contemporary dishes.

Pedro Mendes, General Manager of Premier Inn Stansted Airport, commented: "The hotel is ideally located for those flying in and out of Stansted Airport. It is extremely convenient for both leisure and business travellers looking for convenient accommodation in close proximity to the airport."

Each bedroom caters for up to two adults and two children (aged 15 and under) and includes an en-suite bathroom; a king size bed; remote control TV with Freeview; tea/coffee making facilities, and a spacious desk area with Wi-Fi Internet access. The site will also offer the All You Can Eat 'Premier Breakfast' in the on-site restaurant.

Premier Inn offers all guests a no quibble 'Good Night Guarantee', which means if customers are not 100% satisfied with their stay they will get their money back.
