Brand new images are now available from bespoke furniture makers, Couture Furniture. With expert attention to detail, from fitted kitchens, to cabinets dining tables and sofas; each piece is made using a combination of traditional hand crafted techniques giving the customer something totally unique.

Including the gorgeous high-colour lacquered cabinets as seen here in vibrant blue and red, the new images show cut outs and lifestyle shots, the perfect compliment to any furniture feature.

The images are all available to download now, high-res, to your desktop from our Online Image Library: <http://www.atommpr.com>.

Visit the online IMAGE LIBRARY to download these images and more at <http://www.atommpr.com> or contact Hannah Browne on 01353 654400 or email [hannah@atommpr.com](mailto:hannah@atommpr.com) for further information.
