A Christmas gift of a gardening course

(<http://www.my-garden-school.com/the-perfect-gardening-gift-voucher/>) with some of the world's best horticulturists and designers is just a click away as MyGardenSchool launches an easy click online gift voucher. Do you need a last minute present for a discerning gardener? A design enthusiast? A cook? A keen photographer? Or someone looking for a healthy new hobby? Look no further. A gift voucher from MyGardenSchool gives access to 23 courses where experts teach students how to do absolutely anything in the garden, from keeping bees or hens; landscaping and design; growing vegetables, and the perfect roses; building treehouses and ponds; taking beautiful garden photographs, and everything in between.

MyGardenSchool, the online gardening school with personal tuition from the world's top gardeners, has today launched an 'easy buy' gift voucher

(<http://www.my-garden-school.com/the-perfect-gardening-gift-voucher/>)- for any of its online gardening courses, in time for Christmas. This makes it possible for people to buy a course as a present right up until the moment they see their loved ones on Christmas Day.

At MyGardenSchool the world's most acclaimed gardeners teach students popular gardening topics. This makes it possible to find a gift for everyone, from the most discerning garden designer to the keen gardening enthusiast to someone simply looking for a great new hobby.

All you need to do is simply click 'Buy Now'

All MyGardenSchool courses cost from 120 GBP, last four weeks and begin on the first Saturday of every month. The beauty of MyGardenSchool's online gardening courses is that you get to meet experts in the comfort of your home. Each course includes step by step video tutorials, downloadable course notes, and the facility to chat with tutors and fellow classmates online, in a 'virtual classroom'. The classroom may be 'virtual' but the camaraderie is real, and the technology is very intuitive and easy to use.

All of the MyGardenSchool tutors are outstanding in their field (and garden), being accomplished gardeners and acclaimed gardening writers.
