---

Fridge Freezer Direct has twenty years of experience in the industry. As commercial refrigeration and catering equipment specialists, the team boasts a wealth of knowledge and pride themselves on the excellent customer service that they offer. With 2013, the company looks to bring their customers the very best deals on their quality products.

<http://www.fridgefreezerdirect.co.uk> (<http://www.fridgefreezerdirect.co.uk>) is bursting with a fine array of commercial refrigeration and catering equipment including chest freezer and refrigerated displays. With years of experience the team has built a company around high-end branded products, each of which is available at a great price.

No matter what a customers' budget or requirements, the team work hard to ensure that their needs are fulfilled. The teams outstanding customer service is proven through its excellent eKomi score.

eKomi provides companies with an independent feedback service. This allows customers to review the products or service that they have received by rating it out of five and leaving comments which potential customers can read before buying from the company themselves.

Fridge Freezer Direct has received 4.7/5 for its customer service, quality products and great prices with one customer commenting:

"From enquiry to delivery, everything went smoothly."

As 2012 draws to an end, Fridge Freezer Direct looks to continue offering its customers the widest possible choice on products as well as the lowest prices. Anyone who requires help or advice before purchase is invited to contact the team via telephone, email or contact form online.
