Kids in Kitchen

This half-term, the successful series, 'Kids in the Kitchen' returns to Westfield. Held in the John Lewis Espresso Bar at Westfield Stratford City and The Atrium at Westfield London, parents can sit and enjoy a coffee whilst watching the little ones decorate food such as cupcakes, gingerbread and krispie pops!

New Discoveries

Cabana at Westfield London

Visit the new dining hot-spot, Cabana, located on the Upper Southern Terrace at Westfield London. The relaxed, vibrant and affordable Brazilian barbecue restaurant takes its cue from the traditional

Brasilian churrascarias and local snacks found on Brasilian street corners.

A tasty highlight of the restaurant is the choice of giant barbecue skewers, such as spicy Malagueta chicken, Butterflied pork tenderloin with parmesan crust and Chimichurri Black Gold Rump, brought to your table fresh from the grill by a team of cabanistas.
