Show her just how much she means to you this Mother's Day, with Gingerlily's collection of silk gifts, and give her the perfect excuse to take a well-earned break.

A little treat - Silk Eye Mask (£16)

With Gingerlily's silk eye-mask, little ones can spoil mummy with a truly luxurious gift, without breaking the piggy bank. Made using 100 per cent 'A' grade Mulberry silk, Gingerlily's eye-mask is the ideal treat for busy mums! With anti-static properties, this eye-mask not only helps mums to relax and unwind, but also helps to prevent fine lines and wrinkles, by decreasing friction to the delicate eye area. Silk also contains amino acids, which help skin to retain moisture and keep it looking plumped and revitalised.

A touch of decadence - Ritz Collection Slippers (£110)

At the end of a hard day, busy mums love nothing more than kicking off their shoes. Now with Gingerlily's Ritz Slippers, they can do it in style! Inspired by the roaring twenties, these Great Gatsby style silk slippers are embellished with a classic geometric design of individually hand-sewn beads. The ultimate luxury after being on her feet all day.

Pure indulgence - Silk Nightwear (from £105)

To truly spoil her, say thank-you with Gingerlily's elegant, yet sophisticated range of pyjamas, kaftans, nightdresses and dressing gowns, Made using high-quality silk, These are lightweight and wonderfully soft. Silk works to regulate the body's temperature, allowing her to enjoy a rejuvenating night's sleep all year round. Available in a range of soothing shades, nude pink and signature ivory, as well as striking black.

About Gingerlily (www.gingerlily.co.uk):

Gingerlily, designers of exquisite silk filled duvets, bedding and accessories for the ultimate night's sleep. Made from only the finest 'A' grade mulberry silk and designed in-house, Gingerlily products can help you to create the ultimate glamorous bedroom – a haven in which to retreat and be cocooned from the outside world.

Silk has many other health and beauty benefits. It is a naturally hypoallergenic fibre. The main cause of allergies is dust mites. Silk, however, is resistant to dust mites making it ideal for allergy sufferers.

As well as helping relieve allergy sufferers, silk has been recognised for its soothing properties and

its ability to help prevent and aid the recovery of skin irritations, poor circulation, arthritis, asthma and night sweats.

Gingerlily's stunning range includes bed linen, bedding, cushions and nightwear as well as a range of bedding and accessories for children. These beautiful designs will not only transform your bedroom into a luxurious sanctuary but gives you the ultimate night's health and beauty sleep every night.
