Bar O2'S exclusive 4 Station, LED bubble feature Oxygen Bars were used during the party which took place at the O2 Arena on 20 February 2013.

Users were energised and revitalised breathing our range of pure flavoured oxygen.

Paul Shotton managing director of Bar O2 Limited said: " We've supplied Oxygen Bars worldwide for the last 12 years and are the UK's original Oxygen Bar Company, and are delighted to be involved in the Official BRIT Awards aftershow party, it is a very prestigious event.

We are very pleased to add the BRIT Awards to our growing list of high profile Clients including, MTV, VH1, BBC, Sky, as well as an array of Blue Chip Customers. Our business is about supplying Oxygen Bars to Special Events, Conferences, Exhibitions and Awards as well as Music Festivals around the globe".
