

Hurry – One Month Left For 10% Discount On A4 Brochures and A5 Brochures

Submitted by: Graphics and Print

Wednesday, 27 February 2013

A few weeks ago, the award winning commercial printer Graphics and Print, announced a 10% discount offer on all A4 Brochures (<http://www.graphicsandprint.com/products/brochures/a4-brochure-120gsm-standard>) and A5 Brochures (<http://www.graphicsandprint.com/products/brochures/a5-brochure-printing-silk-170gsm>). The Telford printers already offer some exceptionally good prices for A4 Brochures and A5 Brochures but when you combine this with the fact that they beat off competition from over 2000 printers to win the McNaughton Review Print Award for Brochures, you know you are getting not just great value but also the highest quality products to go with it.

One of the many reasons Graphics and Print are able to ensure the highest levels of quality on their print is because the end to end print process takes place under one roof, meaning that quality controls can take place at every stage of the print process. The award winning design studio can either help create your artwork for you or check that your design will print to the standards you require. The studio then hand over to the press operators who make quality control checks throughout the printing of your job. Once printed, the finishing team check the print before trimming your job and either stitching or binding the A4 Brochures and A5 Brochures. Once again, more quality controls take place before the job is dispatched. The fact that Graphics and Print do not have to contract any of the work out, unlike many of its competitors, means that the Shropshire printers can control the quality of the job from start to finish. This is just one of the many reasons they are award winning.

The 10% discount runs out at the end of March so customers only have one month left to make the most of offers such as 250 A5 20 page Silk brochures for £166.50, or 25 A4 8 page Gloss Brochures for just £34.20 or 50 A4 20 page Gloss brochures for just £79.20 to name just a few of the many examples on their website www.graphicsandprint.com. Excellent prices coupled with quality print is a winning combination not to be missed out on but the offer will end on the 31st March.

Brochure print is just one of the many products that Graphics and Print specialise in. The Telford printers provide design and print services to a growing customer base, ranging from sole traders and business start-ups through to some of the high streets best known names. They wouldn't be on the preferred supplier list of multi-national companies if they didn't provide the highest levels of quality and service.

--END--

Graphics and Print have successfully traded for over 30 years providing printing services to a customer base ranging from multi-national companies to sole traders, offering quality, value and flexibility at every stage of the print journey.
