RWS Group will be demonstrating their patent translation, filing and search services at the 10th Annual Nordic IPR Forum, 18-20th March, Stockholm, Sweden. (<http://www.nordicipr.com/Event.aspx?id=833126>)

Senior staff will be presenting RWS' Intellectual Property offering including WorldFile and EuroFile translation and filing services.

The company's WorldFile clients include industry and patent attorney firms from the US, Europe and Asia who seek to streamline the translation and filing of their patents in countries across the globe via the PCT or Direct (Paris Convention) routes.

RWS will also demonstrate PatBase - the company's subscription-based searchable patent database (developed in partnership with Minesoft Ltd), and its patent Search, Watch and Documentation services.
