Chak 89, London's finest award winning Indian restaurant, went all romantic last week when two Bollywood stars popped in for a meal. Ameesha Patel and Puja Gupta were in town promoting their up and coming movie 'Shortcut Romeo'. They arrived at Chak 89 for a meal which they described as, "The best food they have had during their stay in London".

Ameesha shot to fame in the hit movie 'Kaho Na Pyar Hai', she looked just as beautiful as she did in the movie. Dressed in a sleek black outfit she came to Chak 89 with Puja Gupta, who is a co-star in the movie and is well known for winning 'Miss Universe India' in 2007, she also looked stunning and colourful in her pink blouse. They both sat down with their entourage and tucked into a variety of starters and mocktails.

After the meal Ameesha and Puja happily posed for photographs with other diners, laughing and joking and enjoying the ambience.
