Chak 89, the award winning London restaurant had a change from its regular Bollywood stars last week when two of the most influential British musical Asian pop stars, Hard Kaur and Bally Sagoo visited the venue.

Hard Kaur, who has sang many songs for Bollywood films including Patellia House, starring Akshay Kumar, was looking stunning in a black dress and was looking forward to having her meal saying, "I have come all the way from Birmingham because everyone has been telling me how good this place is and judging by the decor and ambience they are not wrong, only the food remains a mystery? Let's get the food in!" Chak 89, known for its traditional Indian cuisine, was not to be disappointing as she tucked into an array of different dishes to satisfy her appetite washed down with a few of Chak 89's cocktails and mocktails.

Asked by one of the Chak 89 team, if she enjoyed the meal she was so delighted she sang a few lines with the name 'Chak 89' as a token of her appreciation for the excellent food and service she received.

The following day Bally Sagoo, music producer and singer arrived at Chak 89 looking all stylish and trendy with his dark glasses. He too came all the way from Birmingham because he was told by his colleagues in the industry about the award winning restaurant. Looking relaxed and joyous he happily posed for photos and also participated in a short interview to show his delight in coming to Chak 89 enjoying the experience of dining at one of London's top restaurants.

He also tweeted afterwards to let his followers know that Chak 89 is the place to be all because it is "A spice above the rest"
