## Lightning Strikes Three Times For One Lucky Bingo Player

It seems that lightning can strike not just twice, but three times after one lucky bingo player celebrated her latest big win from leading site Butlers Bingo. [<https://www.butlersbingo.com/>]

Susan H. 55, from Northampton, scooped £32,777 this Saturday (24), playing the 'Lots a Loot' game - exactly one year to the day after her previous successes.

On Friday 24 August 2012, Susan won £4,680 playing 'Retro Reels - Diamond Glitz' and then stuck it lucky again just 24 hours later and won £31,526.57 playing the 'Cash Splash 5 Reel'.

Last year Susan, whose online name is Sukaya, pledged to share her good fortune with her family and it seems that nothing has changed this time around. When asked what she plans to do with the cash, she replied: "My daughter's car is on its last legs so this win is timed perfectly for me to help with that. Thank you, Butlers Bingo!"

Ian O'Farrell, Head of Promotions at Butlers Bingo, also commented on the player's good fortune: "Big winners are nothing new here, but for the same player to hit two massive jackpots exactly one year apart is something special."
