

All that Glitters!

Submitted by: Campbell Brown PR

Wednesday, 13 November 2013

ARTHOUSE are proud to present their collection of contemporary wall art, wallpaper and decorative products to add a touch of bling to your home.

“We were inspired by the trends at London and Paris Fashion Week, where luxurious metallics and embellishments featured heavily. Our sparkling collections and products are an easy and affordable way for you to update your home and make it an exciting space to entertain in and enjoy!” ARTHOUSE

Brighten up your interiors with a piece from our stunning wall art collection. Ranging from the noble Star Studded Stag to the rock n’ roll Star Studded Skulls these striking designs cannot fail to impress.

If you’re looking for something to complement a minimal decor then why not look to one of our stunning Enlightened Buddha’s to create a calm atmosphere? These serene designs evoke a truly relaxing wallpaper in Sundown Cream and Pink make a subtle but effective difference to refreshing your home, whether you choose to have one feature wall or highlight an entire room.

For another take on the metallic trend, look no further than our Arthouse Art Collection pieces such as Sound The Trumpets, Tribal Abstract, Going Round In Circles and the fabulous feature Sunbeam Mirror. Whatever you choose, you’re sure to spark your imagination and reinvigorate your home with a touch of glamour.
