Olesia Kuzmychova from the Ukraine returned home one evening after a hard day at work, and decided to place just one bet on the Leprechaun Luck game. Minutes later she explains that she was jumping around and shouting having landed the jackpot of £240,000. Miss Kuzmychova has since quit her job at the stables and plans to spend the money on a wedding to her ex-jockey fiancé William Revetti, as well as a trip back home to see her family. Speaking of the win, she claims it has changed her life forever, explaining that "I never expected to win anything big" and that "I wake up in the morning and think it is a dream, then I realise it is real."
