On Tuesday the 19th of November, Stadia Sports and Lifestyle held a very special evening hosted by Rudell the Jewellers. The beautiful Harborne Showroom was the venue for this exceptional occasion.

VIP Clients were invited by Rudell's Ambassador and Co-creator of Stadia, Michael Johnson to view the world's top jewellery and watch brands. Michael said "Rudells as usual were top drawer".

Former premiership footballer, Jody Craddock whose talent was admired by all present, showcased his magnificent, hand painted canvases with vibrant and bold contrasts adorning the showroom.

The dazzling evening was full of lively conversation, delectable canapés, sensational jewels and melodic sounds of the guitar. A true feast for all of the senses.
