Captain America: The Winter Soldier smashed box office records over the weekend to become the highest grossing film opening in April of all time.

Avid fans of the franchise at online gambling operator, Super Casino, have shared their thoughts.

The Disney-Marvel blockbuster featured an all-star cast including Scarlett Johansson, Chris Evans and Samuel L Jackson as well as expensive special effects. It appears as though the efforts have paid off, with the new movie making \$96.2 million (approximately £58 million) over the weekend hitting \$10.2 million (£6.1 million) on Thursday and making an impressive \$37 million (£22.3 million) on Friday. Other hotly anticipated films, Noah and Divergent were pushed to second and third place respectively at the cinemas.

Offering a collection of popular film based casino games (<http://www.supercasino.com/games>), Super Casino are expecting to see a surge in popularity of their Captain America game following the success of the recent release. A representative from the firm shares their thoughts on the subject.

“Our Marvel games are always popular, especially when people have recently gone to see the films. Although a sequel is planned, fans will have to wait until May 2016, but in the meantime they can play our games. We’ll be interested to see whether such the sequel achieves the same success.”

With live roulette games (<http://www.supercasino.com/>) broadcast on Channel 5 and Sky channel 862, Super casino is the longest running and most popular online TV casino in the world. Famous for providing a realistic gaming experience online, Supercasino.com offers games to suit a variety of tastes, including roulette, blackjack, card games, table and video poker as well as a selection of Super Casino slot games and arcade games.
