mFortune Online Casino On The Up

mFortune has revealed that it's total prize payouts for the last 30 days is over £27 million.

The online casino (<http://casino.mfortune.co.uk/casino/Fruit-Machine/>) operator, based in the UK, has seen individual payouts reach four-figure sums. Winners included K. Moffitt, who pocketed £8,624 and P. Brown who won £9,660. These are two among many winners at mFortune, whose games are compatible with Android and iOS.

mFortune are enjoying a growing reputation among players of online casino games, a reputation reflected in the casino being shortlisted for Best Mobile Poker, Best Mobile Bingo and Best Online Poker at the EGR Operator awards 2013. They won Best Mobile Poker at the Mobile Gaming awards 2012.

With games designed specifically for mobile devices, it is thought that the rise in people accessing games through their smartphone or tablet has encouraged many to opt for mFortune. The rise in the number of players at the site also indicates a growing enthusiasm for games on mobile devices.

The website hosts games including blackjack, poker, roulette, bingo and slots. Some of these games include additional features, including live chat and loyalty points.

mFortune online casino (<http://casino.mfortune.co.uk/casino/Fruit-Machine/>) have been based in the UK since their inception, and are licensed by the Gambling Commission. New players at mFortune are given a £5 free bonus, subject to terms and conditions.
