The online gambling specialists at Super Casino share their thoughts as journalist and broadcaster Victoria Coren Mitchell becomes the first two time winner of the European Poker Tour.

Making poker history, the BBC 4 Quiz show host fought off 556 competitors to win a cash prize of £391,932 and a watch worth over £4,000 on Sunday. The 41 year old came back from eight position in the week long international competition in Sanremo, Italy. Coren Mitchell first won in 2006 when she became the first female winner, and her most recent victory brings her lifetime winnings to £1.5 million.

Wife of comedian David Mitchell, Coren Mitchell explains “people in poker know it’s about showing a profit. The minute I won 8,000 euros (£6,576) it was a good trip. But tens of thousands of people (on Twitter) got behind me. I thought I’d be happy with sixth, but also thought they’d be disappointed.”

Specialising in providing a live TV casino experience, Super Casino also offer a variety of online video poker games (<http://www.supercasino.com/games/video-poker>). With a natural enthusiasm for the industry, the team were excited to hear of the first two time win. A representative from the firm shares their thoughts on the subject.

“Victoria already hit the news when she became the first female to win the European Poker Tour and now she’s made history again. Intelligence, a willingness to learn and the ability to detach from your emotions are all qualities possessed by good poker players and they are also the talents required of a successful journalist so we’re not surprised to hear of her victory.”

With live roulette games broadcast on Channel 5 and Sky channel 862, Super casino is the longest running and most popular online TV casino in the world. Famous for providing a realistic gaming experience online, Supercasino.com offers games to suit a variety of tastes, including roulette, blackjack, card games, table and video poker as well as a selection of Super Casino slot games and arcade games.
