14th July 2014, Milton Keynes, UK

Following a period of continued growth and expansion in the UK market ReadSoft (<http://www.uk.readsoft.com/>) UK, a global provider of back office process automation software, is moving to larger premises (<http://s1278.photobucket.com/user/XL-Comms/library/ReadSoft%20UK/New%20Offices>) at Marlborough Court in Milton Keynes.

These larger premises enable ReadSoft to deliver a high level of customer care to a growing number of UK and International customers and partners. The new location will facilitate continued expansion whilst ensuring ReadSoft can continue to offer a high quality service.

In the past 12 months ReadSoft UK has launched new products and services, vastly expanding its market. This has driven growth that has enabled the company to recruit industry-leading personnel. In addition, ReadSoft has launched a cloud-based product for companies of all sizes that wish to rapidly and permanently reduce the cost of administration in their finance function. ReadSoft Online (<http://www.readsoft.com/product-overview/document-processing/readsoft-online>) is already providing a winning strategy for growing the business further.

Simon Shorthose, Managing Director of ReadSoft UK says, "ReadSoft UK is enjoying significant growth driven by the fact that companies now understand how much technology can help them to automate everyday functions that were previously carried out manually. By automating business processes and focusing on the core competencies of business, more and more companies of all sizes are benefitting from the process automation that ReadSoft technology can deliver."

ReadSoft's new address will be: Marlborough Court, Sunrise Parkway, Linford Wood, Milton Keynes, MK14 6DY. All email addresses, telephone numbers and other contacts remain as previously.
