Last night Hairdressers Journal International announced 17 winners at the 2015 British Hairdressing Business Awards with a spectacular ceremony held at the Lancaster London Hotel, adjacent to Hyde Park. Recognising and rewarding the very best of British hairdressing businesses and industry professionals, each of the worthy winners will take their iconic trophy back to the salon as celebrations continue across the country.

Now in their 17th year, the prestigious British Hairdressing Business Awards are a highlight in the hairdressing industry calendar. Hosted by Executive Director of Hairdressers Journal International, Jayne Lewis-Orr and TV and radio presenter Gethin Jones, Jayne commented, "Each year the judges' job gets harder as entries become more sophisticated. Many use the British Hairdressing Business Awards as a tool to assess their business and entries are detailed and precise. This results in only the very best becoming finalists and the most deserved winners being rewarded on the night."

The evening began with a Champagne reception allowing finalists, guests, sponsors and industry professionals to network before being called to dinner. During the awards ceremony, special attention was paid to the newly added Male Grooming Salon of the Year category. As the British Hairdressing Business Awards came to a close, 17 new names were added to the winners list celebrating their success within the awards history.
