Following a very successful first Autumn Winter season Cosy Cashmere has launched it's first Spring Collection.

Classic Cashmeres will always remain a staple, but in luxuriant spring, colours reflecting the seasonal trends are complimented by new styles and techniques specifically designed with the season in mind.

Try the Arioso range of cashmere for ladies, with super-soft cashmere and lightweight knitting processing combined to give our most refined cosy feel. this provides true warmth without weight, ideal for leisurely spring evenings and a great feel good factor.

Cashmere with cotton is introduced for the first time, 85% cotton mixed with the finest 15% cashmere is bound to make a hit in modern styles for the discerning fashionable lady.
