Document management sector leader gets on shortlist for tenth year in a row at the upcoming DM Awards – the premier annual event for the UK content management community

Bury St Edmunds UK, September 27, 2016 – EASY SOFTWARE UK (<http://www.easysoftware.co.uk>), Europe's leading supplier of document management solutions, has today announced that it has once again been shortlisted in the annual Document Manager Awards.

The firm, which has won 13 DM Awards during the event's ten-year history, is shortlisted in five categories this year:

Accounts Payable/Invoicing Product of the Year - EASY Invoice

Channel Partner of the Year - EASY Software

Company of the Year - EASY Software

Software Product of the Year - EASY Contract 3.0

Workflow/BPM Product of the Year - EASY Documents 5.0

The DM Awards are given based on outstanding contributions to the document management industry, with the event acknowledged to be a must-attend date on the calendar for the UK document and content management sector.

The DM Awards span a range of product and project categories, with winners selected via a combination of online voting and the opinions of an expert judging panel, with the final award ceremony and winner presentations for 2016 taking place on November 24 at The Grand Connaught Rooms in London's Covent Garden.

EASY's crammed awards cabinet includes previous DM Award category wins such as 'Email Product of the Year' (three times), 'Channel Partner of The Year', 'Enterprise CMS Product', 'Workflow/BPM Product of the Year', 'Compliance Product of the Year' and 'Marketing Team of the Year'.

Howard Frear, Director of Sales and Marketing at EASY, commented: "We're thrilled to be in the running for a DM Award for the tenth year running, and we'd like to thank everyone in advance who will take the time to vote for us – and, of course, everyone who uses our solutions."

Voting for 2016 is now open but, be advised, closes on 31 October.

The online voting process takes only a couple of minutes. If you'd like to vote for EASY, please go to www.dmawards.com (http://www.document-manager.com/dmawards/?page=easysoftware_dma2016vote)
